## **CMSA Graduate Scholarship Application Check-List**

### **1. Application Form**

- It is strongly recommended that your application be critically reviewed by your supervisor(s) prior to submission.

### **2. Two Letters of Reference**

- The referees must be able to provide a professional assessment of your academic, personal skills and research potential.
- One letter must be from your supervisor; he/she is to comment on the level of student involvement in development of the project
- Both letters must be on the organization's official letterhead
- Both letters must be received in a sealed envelope with an official stamp or referee's signature across the seal

### **3. Transcripts**

- Official transcripts are required from your current graduate school.
- They must be received in the original sealed envelope

### **4. The Deadline to receive your application is January 9, 2012**

- Please include all of the required documents in one package.

### **5. Send your application packages to:**
