SUBJECT: Call for Abstracts – Poster Session

**Canadian Meat Science Association/Canadian Meat Council -
Joint Technical Symposium**

Thursday, May 31, 2012

The 2012 version of the **Annual CMSA/CMC Technical Symposium** will be held at the Fairmont le Chateau Frontenac Hotel in Quebec City on Thursday, May 31, 2012. A preliminary agenda has been prepared and the Technical Symposium is now fully integrated with the breakout sessions of the CMC Annual Conference. Please see the CMC website (http://www.cmc-cvc.com/english/publications_e.asp#ac12) for more information on the meeting.

You are invited to prepare and present posters on any aspect of meat science and technology for the poster session that will be held during and immediately following the Symposium.

Please prepare abstracts in the attached format and send them by email to **Peter Purslow**, for abstracts in English, or to **Claude Gariépy**, for abstracts in French. We would appreciate receiving your submissions by **Thursday April 26th, 2012**. This will allow us time to review the abstracts, recommend necessary revisions and format the material for the Proceedings.

Posters and abstracts may be in French or English. It is intended that abstracts shall be published in *Meat Science*; please confirm in your submission email that you agree to this.

Maximum poster size is four feet high by four feet wide.

For further information and to submit your abstract, you can contact:
