Ronald A. Chisholm Undergraduate Scholarship Program 2012

The Canadian Meat Science Association (CMSA) is pleased to be involved in awarding the **Ronald A. Chisholm Undergraduate Scholarships**. Two scholarships will be awarded in 2012 to promising undergraduate students interested in studying Meat Science in Canada.

CHISHOLM

INTERNATIONAL FOOD MERCHANTS SINCE 1938

“Founded in 1938, **Ronald A. Chisholm Limited** is one of the leading trading companies in the world of meat and dairy products of Canadian and international origins. With sales exceeding \$1 billion per year, the company prides itself on being the market leader in creating market opportunities for the unique and dynamic agri-food products that Canada continues to create year after year, that the rest of the world cannot provide.”

The purpose of these scholarships is to promote quality education and development of meat science in Canada. The awards are valued at \$2,500 each and will be presented at the CMSA Technical Symposium on May 31, 2012 in Quebec City, QC. Travel expenses and registration fees for the meeting will be provided for the scholarship winners. Winners will be expected to be in attendance for the Scholarship presentation at the Technical Symposium.

All applicants will receive a one-year complimentary membership in CMSA.

Eligibility

Undergraduate students in any year of a recognized, full time B.Sc. program in Agriculture and/or Food Science at a Canadian University are eligible to apply. Previous CMSA Scholarship Program winners are not eligible.

Application Procedure

An application form can be obtained from CMSA at:

Ruth.Ball@ualberta.ca or <http://cmsa-ascv.ca>

or

Ruth Ball

CMSA

4-10 Agriculture/Forestry Centre

University of Alberta, Edmonton, AB T6G 2P5

Applicants can submit the application by mail to the Canadian Meat Science Association. Applications can be submitted in English or French.

Evaluation Procedure:

The applications are reviewed by referees from industry and from government/academia and will be evaluated on:

- A) Individual academic performance and research potential, based on the academic record of the student, letters of reference provided
- B) Demonstration of interest in the pursuing graduate studies or career in meat science (eg: project in meat science related field; summer work experience etc)
- C) Essay on why the applicant wants to attend the Canadian Meat Council Annual Meeting.

DEADLINE to receive application: January 9, 2012

Applications should be mailed to:
